

Gladiator® IT Regulatory Compliance Series 2018

While IT regulatory uncertainty remains a fact of life, you are expected to stay on top of trends and ever-changing compliance expectations.

With Gladiator, you're armed with knowledge you need to stay ahead of change and successfully navigate new directives.

By tuning in to our annual ITRC Webcast Series, you'll hear our experts share critical information so you can address the questions and compliance concerns at your institution. Ultimately, with this knowledge, you'll be better prepared for exams and audits.

For our 2018 series, we'll provide pre-recorded, on-demand webcasts topics on a quarterly basis, announcing the title, description, and presenter(s) as the webcasts become available. These webcasts will be posted to the Gladiator Compliance Center for easy retrieval by our Compliance Package customers at no charge. Upon request, these webcasts can be made available to non-Compliance Package customers as well, at a nominal cost of \$95 per session. (If you are interested in ordering any of these webcasts, please contact us at education@gladtech.net.)
